*Runners sprint away from the starting line through a flurry of snow at this past weekend's Cupid's Chase to raise funds for Community Options. The non-profit works with those with physical or mental disabilities to provide housing and employment opportunities. The event is held nation-wide, and this year it brought in more than \$200,000. For more information about Community Options, call 931-372-0955. Ty Kernea | Herald-Citizen*
