Sixth District Assemblywoman Pamela Lampitt Visits Community Options' Daily Plan It In Moorestown, NJ

PRINCETON, NJ – On Monday, February 17, Sixth District Assemblywoman Pamela Lampitt visited the Community Options' Daily Plan-It in Moorestown, NJ.

"Community Options does an incredible job providing needed care to a wide range of individuals. I was impressed by their holistic and comprehensive approach--as well as their incredible passion and dedication--to helping people with disabilities lead fruitful lives," said Assemblywoman Pamela Lampitt.

Lampitt had the opportunity to meet with Robert Williams, one of the employees at the Daily Plan It. They discussed the duties of his job and how he liked working with his job coach, George McDonald. Williams was previously at the New Lisbon Developmental Center.

The Daily Plan It, a Community Options Enterprise, is a complete office, conference and copy center that offers furnished office rental space or virtual tenancy to a variety of businesses at an affordable cost. These entrepreneurial businesses are a medium for job training people with disabilities. The Daily Plan It gives people with disabilities an opportunity to earn minimum wage or better, learn new skills and find employment in the community with their new skill set.

The Daily Plan It has been open since 1997. Some of the services provided to the tenants include professional receptionist services, clerical support, high-speed color copying, graphic design for branding and stationery as well as on-site concierge services including dry cleaning pick up and delivery. Employees receive valuable work experience in areas such as customer service, inventory management, quality and database management, as well as facilities maintenance. The Daily Plan It has locations in Morristown, Princeton and Moorestown, NJ and Dallas, Texas.
