First impressions are key in a job interview, and the right suit can make a big difference.

Community Options in Binghamton has teamed up with the Men's Warehouse to give out suits for those in need who are looking for work. The Outfit Yourself with a Better Future event started Monday and will continue through Wednesday. Community Options is located at 184 State Street. It's hosting walk-in appointments tomorrow from 2pm-4pm.

Executive Director of Community Options Amanda Rick said, "It's incredibly important, there's an empowerment piece that comes along with going and looking great besides going in an maybe not feeling as confident and so the confidence that can come with having a suit looking professional is something we want to help anyone in need."

If you aren't able to make it to Community Options in Binghamton for a suit you can call 722-5971, extention 311 for other arrangements.
