"At a time when donations from the public and private sectors are down due to the economy, we truly appreciate the support Wells Fargo has provided," said Diane D'Orazio, Executive Director of Ocean and Monmouth County offices. "We will use this grant to plan our annual 5K fundraiser, Cupid's Chase."

The grant was awarded as part of Wells Fargo's Community Connections program, which provides local branch managers the opportunity to make a \$1,000 charitable contribution on behalf of Wells Fargo to a nonprofit of their choice.

"Our local branches see which nonprofits are out in the community making a difference every day," said Brenda Ross-Dulan, Wells Fargo's Southern New Jersey region president. "We use this as an opportunity to celebrate and say thank you to Community Options, Inc. for all of the value they have provided to our community over the past year."
