Community Options to Celebrate 20 Years of Service in New York by Ringing Closing Bell

PRINCETON, NJ – National nonprofit Community Options, Inc. will ring the Closing Bell at the New York Stock Exchange on Monday, August 15 at approximately 4 p.m. EST. Community Options is based in Princeton, NJ and provides housing and employment support to thousands of individuals with intellectual and developmental disabilities across the nation.

School to Employment Program (STEP) participant Max Depelteau will be ringing the Closing Bell for Community Options. STEP is a community Options program. STEP is a job training program for young adults with developmental disabilities, who are transitioning from school to the workforce. STEP has successfully mitigated the risks associated with the underemployment of people with disabilities by consistently preparing, training, and placing participating participants in meaningful jobs.

Max currently works two days a week at his paid job at Experienced Support Coordination as an office clerk and continues to attend the STEP program three days per week. The 24-year-old is hoping to lock down a five day a week paid job in the near future. Max started in STEP as a high school student from West Windsor Plainsboro High School North.

Community Options Enterprises Managing Director Dina Casalaspro, Grant Writer Cherry Watson, Regional Director Katie Valle, Community Options Enterprises Managing Director Andrew Park, STEP Director Meghan Hunter, Employment Specialist Donna Orr, Program Manager Caroline Garcia and Community Options Enterprises board member Philip Lian and his wife Joan Mueller will be on hand to represent Community Options as well.

Community Options is celebrating its 20th year of service in the state of New York and will hold a fundraising Gala on Thursday, October 6 to honor the milestone. The Gala will take place at Pier 61 of The Lighthouse at Chelsea Piers at 6 p.m. The festivities will include cocktails, dinner and a silent auction.
