(Published By: FOX 40 Staff)

The Binghamton Cupid's Chase 5K Run, originally scheduled for February 13th at Otsiningo Park, has been postponed to February 20th.

In a Facebook post, event coordinators said,

"We want to let you know that we need to postpone Cupid's Chase in Binghamton due to forecasted weather conditions. Saturday, February 20th will be the new date. Registration and check-in will open at 8am and the race will begin promptly at 10am.

We are very sorry for any inconvenience this may cause. Your safety is our first concern and the decision to postpone was made with that in mind."

The annual 5K, presented by the non-profit Community Options Inc., is to help raise funds for people with disabilities.
