(Princeton, New Jersey, November 9, 2009) On February 13, 2010, Community Options, a national nonprofit organization that develops homes and employment supports for people with developmental disabilities, will hold its widely attended Cupid's Chase 5k Run in Princeton.

Audrey Chen, a Community Options Enterprises Board Member and in charge of Marketing and Business Development for Princeton Design Guild, will be leading the organization as they gear up for their second annual Cupid's Chase 5K taking place at the Princeton Shopping Center on February 13, 2010.

"I'm very excited to be doing anything to support the mission of Community Options, but this Cupid's Chase is particularly rewarding. Not only is this a great physical activity, but we also see it as a fantastic social event," say Chen. "It is a chance to participate in something meaningful and healthy while meeting some wonderful people at the same time," she added.

Last year, the organization held the Cupid's Chase at Princeton University and had over 600 participants. "This year, we anticipate having over 1,000 participants at the new location in the Princeton Shopping Center to come out and enjoy this event and learn more about our organization," says, Robert Stack, President and CEO of Community Options.
