There's nothing like a race to bring out the best of the borough.

Despite temperatures that would keep most in their homes, the Glen Rock Cupid's Chase 5K hit the ground running on Saturday morning.

Racers registered on Doremus Avenue starting at 8 a.m. and were treated to vendors, DJs, Sen. Robert Gordon and even a glimpse of some of the cast members from the hit Bravo show "The Real Housewives of New Jersey."

The top three finishers in the event were Gene Mitchell, Brian Taylor and Jean Mercedes.

The race, which takes place in 24 cities across the country, benefits Community Options Inc., a non-profit that has been developing community-based homes & employment supports for people with disabilities since 1989.
