

## 2012 iMatter Surf Camp for Children with Autism

*Published 08/14/2012*

Community Options hosted the 6th Annual iMatter Surf Camp for Children with Autism on August 11, 2012. Although the weather did not cooperate and posed dangerous surf, we were all still able to get together and catch up. Thanks for coming out and we hope you enjoy the 2012 video!
