

## Work in Harlem

*Published on 03/02/2012*

Community Options has been working hard in New York City to secure homes for young men aging out children's services and into the adult system of the Office of Persons with Developmental Disabilities

Community Options attended a Commissioner Hearing this week to advocate for the acquisition of a new home in Harlem.

Here is an article about the hearing from DNA Info:

Plan to House Disabled Men in Luxe Condos is Cut Back
