SPONSORSHIP INFORMATION

## ABOUT US

In 1989, Robert P. Stack, President and CEO, founded Community Options at his kitchen table in Bordentown, New Jersey. Now, twenty-five years later, Community Options is the 5th largest nonprofit organization in New Jersey. The organization serves thousands of people with disabilities through 44 offices across several states providing housing and employment supports as well as advocacy assistance to empower people with disabilities. Community Options believes that all people, regardless of their level of disability, should live and work in the community with dignity, choice, and self-determination. A registered Private Voluntary Organization (PVO) with the United States Agency for International Development (USAID), Community Options is also the pioneer of innovative programs for people with disabilities in the Middle East, Russia, and South America.

---

**Governor Thomas H. Kean** was rated among America's five most effective state leaders by Newsweek magazine; noted for tax cuts that spurred 750,000 new jobs; a federally replicated welfare reform program; landmark environmental policies, and over 30 education reforms. During the Governor's tenure, many of us witnessed him signing legislation expanding the Division of Mental Retardation to support persons with Autism, Cerebral Palsy, Epilepsy, Spina Bifida, Traumatic Brain Injuries and other neurological disabilities. He created the Governor's Office on Prevention of Mental Retardation and supported the reduction of institutional care of 8,100 people with disabilities to less than 4,200 people thereby creating the largest development of community based supports in the history of New Jersey.

*"Community Options has reopened doors and given hope to so many people with developmental disabilities across the country. It is a great honor to be recognized by such a wonderful and credible organization."*

*Governor Thomas H. Kean*

**Morven Museum & Garden** is located in the beautiful town of Princeton, New Jersey. This former home of a signer of the Declaration of Independence also served as New Jersey's first Governor's Mansion. Morven is the "people's" place: a National Historic Landmark owned by the State of New Jersey and operated by the non-profit, Historic Morven, Inc.

**Community Options** is delighted to celebrate its 25th year of service to people with disabilities at this historic home and is honored that such a prestigious elder statesman will celebrate with us on our silver anniversary. The net proceeds of these donations will be applied to the purchase of new homes.

We thank you for your support!

---
