

Hello!

The STEP Program will be partnering with Trenton Thunder for the game on Tuesday, June 10<sup>th</sup>. We will be selling tickets for \$11 each. All proceeds from the game will go directly to STEP. We would love for you to come out and support the program for a night of fun! Several of our clients will be involved in different events throughout the game including throwing out the first pitch, and other mid inning activities. It is \$1 dog night and Kids Eat Free Night at the stadium as well. Please spread the word to friends and family - you won't want to miss it! Fill out the detachable form below, and send in your money ASAP! Cash or check is acceptable. Checks can be made payable to Community Options STEP Program. Tickets will be able to be picked up at will-call, on game night. Once I receive your money, you will be placed on the will call list. If you are purchasing several tickets, they can be left under one name, and picked up all together. If you have any questions, don't hesitate to contact me via email at [meghan.hunter@comop.org](mailto:meghan.hunter@comop.org), or by phone at 609-951-9900, ext. 165. Don't wait, buy your tickets today! Thank you in advance for your support of the STEP Program! ☺

Meghan Hunter  
STEP Program Manager

*\*Payment can be mailed to Meghan Hunter, 16 Farber Road, Princeton NJ, 08540.*
