

Community
Options, Inc.

Supporting People with Disabilities since 1989

SPONSORSHIP OPPORTUNITIES

On Saturday, February 9th, 2019,
Community Options will celebrate
its 30th anniversary with its
annual **Cupid's Chase 5K**.

GET INVOLVED!!!!

Dear Friends,

Winston Churchill said “Never give up on something that you can’t go a day without thinking about.”

Twenty-nine years ago when I incorporated Community Options I could never give up then or now what I am always thinking about: the quest to emancipate people with disabilities from institutions to live freely and with cause in this country like every American. To enable families to look at our homes and supports as an alternative to a nursing home or state run institution.

Today we have over 500 homes in 45 cities. We operate 63 commercial sites and with over 5,000 staff support over 3,000 people with significant disabilities. We need to celebrate the fact that we have changed the lives of so many over the years and this is because of the many staff, countless volunteers, committed board members and generous sponsors!

Thank you for your support!

Be well,

A handwritten signature in black ink, appearing to read "Robert Stack". The signature is fluid and cursive, with a large loop at the end.

Robert Stack

President & CEO of Community Options

ABOUT US

Community Options develops housing and employment supports for individuals with developmental disabilities, severe physical and cognitive disabilities, and people with traumatic brain injury. Serving more than 3,000 individuals across eleven states, the cost to care for and provide a high quality of life often exceeds the financial support received through government funding. Cupid's Chase 5K is the organization's fun and engaging way to raise the funds to bridge the gap between government funding and actual costs of providing services.

For more than a decade, Cupid's Chase 5K races have been raising funds to enhance lives of the individuals served by Community Options. Fueled primarily by corporate sponsorships, the races provide much-needed funds in the communities where we operate, ensuring that the individuals we serve have well-maintained homes to live in, transportation, recreation, and job supports.

BENEFITS OF SPONSORSHIP

Logo on race marketing materials

Logo on t-shirts

Logo on race website

Logo on race Facebook event site

Two 15 second public address announcements

Logo on race day course signs

Company included in race advertising

The purpose of the Cupid's Chase 5K is to raise awareness about the vast potential of people with disabilities such as autism, cerebral palsy, down syndrome, and traumatic brain injury; potentials that in many instances were historically overlooked and marginalized by the general public.

Sponsors enjoy the benefits of alignment with an organization that provides critical services to those in need.

Join us February 9, 2019, when we will celebrate the individuals we serve, the people who care for them, and the advocates and supporters who make our work possible and have done so for thirty years.
