Pittsburgh Capital Campaign 2021

Community Options' mission is to develop housing and employment supports for persons with disabilities.

Community Options believes in the dignity of every person, and in the freedom of all people to experience the highest degree of self-determination.

The Pittsburgh Capital Campaign will raise funds to enhance services to adults with intellectual and developmental disabilities by rehabilitating the Sarah Street Community Options building in the historic South Side of Pittsburgh. Capital improvements will build capacity for employment services, day services, and vocational and staff training.

We operate 20 homes in Allegheny County

We support 29 adults in Day Services based out of this building.

We support 30 adults in supported employment programs and vocational training based out of this site.
