### **Community Options to Hold Ribbon Cutting for Daily Plan It on May 9<sup>th</sup>**

PRINCETON, NJ – Community Options Enterprises will celebrate the opening of the Daily Plan It with a ribbon cutting ceremony on Monday, May 9, at 11:00 AM.

Community Options is a national nonprofit that provides housing and employment for people with intellectual and developmental disabilities. The Daily Plan It, located at 826 Alexander Road, NJ, 08540, is a unique entrepreneurial business operated by Community Options that provides job training and competitive integrated employment to people with disabilities. The Daily Plan It offers fully furnished office space rental and virtual tenancy to the local business community.

“We’re excited to open a new Daily Plan it to provide an important service to the local business community,” said Dina Casalaspro, Managing Director of Community Options Enterprises. “At the same time, we will be able to train people with disabilities for the workforce and pay them competitive wages from revenue generated through the rental income.”

This is the sixth Daily Plan It in New Jersey, with additional locations in Morristown, Moorestown, and two in Princeton. All offices in the five other locations are currently rented out. A seventh location in Denville is planning to open before the summer.

“As a lifelong resident of Mercer County, I am thrilled that Community Options is building on their legacy of service and equity for folks living with disabilities throughout the Central Jersey region,” said Assemblyman Dan Benson. “I look forward to continuing to work with Community Options and our non-profit partners to work toward a fair and accessible workforce landscape here in the Capital County.”
